Panel Shop

Certificate No. PSP 115975 0001 Rev. 01

Holder of Certificate: Schaper Steuerungstechnik GmbH

Lilienthalstr. 14-16
32052 Herford
GERMANY

Production Facility: 115975

Mark:

This document proves that the above-named Company is included in the TÜV SÜD America Listing of Recognized Panel Shops and is qualified in compliance with the Panel Shop program (PSP) for the mutually agreed product categories and/ or standards.

With this certificate TÜV SÜD confirms that the company has been audited and continues to meet the program requirements which are based on National testing standards.

Although these requirements include auditing to the principles of ISO/IEC 17025 this document is only for use in the TÜV SÜD program and does not indicate any form of accreditation.

The Panel Shop approval allows the manufacturer to show conformance to the standards listed below.

Standard(s): CSA C22.2 No. 286
UL 508A

Issued: 2025-03-18

Expiration Date: 2028-03-17
